

Alto Torque

POWER TECH SERIE 30

W1 ACERO AL CARBÓN
BICROMATIZADO

El ajuste y fuerza precisa que todos los sectores de la industria requieren.

TORQUE	Alto torque 80 lbf*in
GRAPA	Reforzada, 1.1 mm de calibre
TORNILLO	Sin fin (Para destornillador de punta pala y copa de 8 mm 5/16")
MATERIAL	Acero al carbón
FLEJE	12,7 mm de ancho y 0,8 mm de espesor
APLICACIONES	Ideal para el vehículo, el hogar y la industria

Plano Técnico:

Especificaciones:

Torque de instalación

50	lbf • in
5.6	N • m

Torque libre

8.9	lbf • in
1.0	N • m
